

PICA

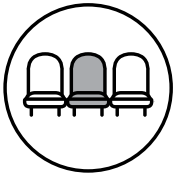

Performance Space COVID-19 Safety Measures

PICA has a comprehensive COVID-19 Safety Plan in place, which oversees our daily operations and has allowed us to confidently resume in-house programming, including live performance. The health and wellbeing of our artists, audiences and staff is paramount.

We appreciate your cooperation and please contact us at 9228 6300 or info@pica.org.au for any further queries.

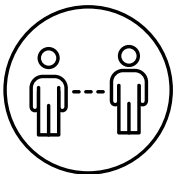

Hand sanitising stations are located throughout all our venues and we encourage good hygiene practices when you visit.

Seating within PICA's Performance Space is at a reduced capacity with 1.5m physical distancing in line with current WA Government guidance.

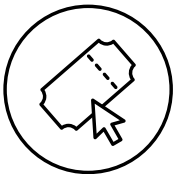

Refer to the seating map during booking to see options for single seats or group bookings. Those attending in groups may sit next to each other and maintain appropriate physical distancing with other patrons.

Please practise physical distancing when queuing in any area of the theatre and foyer. Please observe the signage throughout the venue.

We ask all patrons to join PICA in being COVID safe and aware. Please stay home if you are displaying cold/flu symptoms.

If you are feeling unwell we ask you to stay at home and we will offer you a refund. Refunds will only be provided if you contact us in advance of the event. Refunds are not possible if you changed your mind or are unable to attend for reasons other than illness.

Patrons will receive further information prior to the event about our relevant COVID procedures to ensure everyone can enjoy the event.

When at PICA, please follow the advice of our friendly staff.
