

Sensory Scavenger Hunt

PICA

Hatched 2020 artist Michelle Vine has collected and created things from around her home and backyard to touch and feel against her skin.

Here is a list of sensations. Go on a scavenger hunt around your home, backyard, or local park. See if you can find an object for everything on this list!

Don't just rely on your sight, close your eyes explore the objects using your hands to discover how they feel.
