

Event COVID-19 Safety Measures

PICA has a comprehensive COVID-19 Safety Plan in place, which oversees our daily operations and has allowed us to resume in-house programming, including public events.

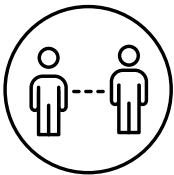

We want our community and audience to feel welcome and safe at PICA.

Our spaces are currently operating at a reduced capacity in line with current WA Government guidance which we are closely monitoring and adapting to as required. Entrance to events will be on a first come first served basis. Thanks in advance for your patience should you need to queue or wait for entry and/or service.

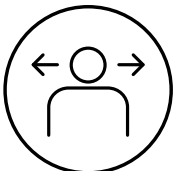

To adhere to WA Government advice, PICA is implementing a contact register system – through the SafeWA app and via hardcopy form at our reception. All visitors to PICA are recommended to register via either method.

We encourage 1.5m physical distancing and good hygiene.

Hand sanitising stations are located throughout our venue for your use.

Please follow the advice of our friendly staff and observe the signage throughout the venue. We appreciate your cooperation.

We ask all patrons to join PICA in being COVID safe and aware. Please stay home if you are displaying cold/flu symptoms.

The health and wellbeing of our patrons, staff and artists is paramount. Please contact us at 9228 6300 or info@pica.org.au for any further queries.
